

**MINUTES**  
**CITY OF AURORA COUNCIL MEETING**  
**CITY/TOWN GOVERNMENT CENTER**  
**TUESDAY, JULY 15, 2014**  
**4:00 p.m.**

**PRESENT:** Mayor Hess; Councilors Smolich, Lislegard, Worshek

**ABSENT:** Councilor Cromley

**ALSO PRESENT:** Britt See-Benes, Administrator/Clerk-Treasurer; Wayne Thuringer, Public Works Director; Ed Modetz

Meeting was called to order at 4:00 p.m.

The 2014 budget was reviewed, as of June 30, 2014. Projected 2015 budget figures were discussed. Preliminary budgets must be submitted to the state by September 30, 2014.

Public Works Director Thuringer and Administrator See-Benes presented to the Council their recommendations for the 2015 Street Projects including reconstruction and mill/overlay. Discussion ensued on how the recommendations were compiled. The next step would be to begin to seek Engineering firms to begin feasibility reports and Engineering design. In order to do Special Assessments on the adjoining properties, feasibility reports must be completed.

**Moved by Worshek and supported by Lislegard to authorize City staff to obtain quotes from Engineering Firms for Feasibility Reports, Engineering Design and Construction Management for the 2015 Street Project. MOTION CARRIED**

Discussion was held on the Public Works Infrastructure Projects priorities for 2015.

**Moved by Lislegard and supported by Smolich to approve the following as Project Priorities for FY 2015: 1<sup>st</sup> Priority - Highway 110 Water Line; 2<sup>nd</sup> Priority – Public Works Garage Infrastructure/Facility Renovation Project.**

The three parcels that were listed on the tax forfeit land sale were again discussed. The City Administrator did not feel that the City should pursue these three parcels as the conditions of these parcels are not considered blight and it would be hard to deem them public purpose if the City were to demolish the structures.

The next Budget Meeting will be held on July 29, 2014 at 4:00 p.m.

Meeting adjourned at 5:15 p.m.
